

MELANCHOLIA

A PAIR OF RATTAN CANE AND BRASS TABLE LIGHTS BY PAAVO TYNELL

These table lamps, designed by the renowned Finnish lighting designer Paavo Tynell for Taito Oy, exemplify his distinctive blend of natural materials and refined craftsmanship. The polished brass bases and stems radiate a warm, luxurious glow that beautifully complements the woven rattan or cane shades. The shades allow light to gently diffuse through the gaps, creating a soft, ambient glow and showcasing Tynell's skill in balancing elegance with functionality. Known for his ability to fuse Scandinavian minimalism with organic forms, Tynell's work has left a lasting impact on modern lighting design, making pieces like these highly sought after by collectors worldwide.
