STONEWARE VASE BY SVEN WEJSFELT

This vintage vase by Sven Wejsfelt for Gustavsberg Studio is a striking piece of Scandinavian ceramic design, crafted from durable stoneware and featuring a unique green hare's fur glaze that creates a soft, textured appearance. Standing at 21 cm tall, the vase showcases subtle handwork details, embodying the artisanal quality typical of Wejsfelt's work. It bears both the studio's mark and the artist's signature, emphasizing its authenticity and collectible value. This piece would add character to any space, blending form and function beautifully.
