

MELANCHOLIA

A WALNUT / BURRWOOD COFFEE TABLE BY JOSEF FRANK

This is a classic coffee table that was designed by Josef Frank for Firma Svenskt Tenn in 1948 and produced by the same company in Sweden. Given the model number 2139, this timeless round three-legged table features a burl top and walnut cabriole legs. The table is beautifully executed in a richly patterned burl wood top, surrounded by a raised edge.
