

MELANCHOLIA

A JOSEF FRANK PAINTED BRASS TABLE LIGHT WITH MURIEL BRANDOLINI FABRIC

This Josef Frank table lamp, model number 2466, created for Svenskt Tenn, is a beautiful example of his unique blend of functional design and playful aesthetics. The addition of an eye-popping Muriel Brandolini fabric to the lamp that features a brass base partially lacquered in green, adds a subtle pop of color and creating an elegant contrast with the brass elements. This combination of polished brass and green lacquer enhances the lamp's sophisticated yet lively character, typical of Frank's designs. Known for his vibrant and organic approach, Frank designed pieces that feel timeless and are perfectly suited for adding both light and artistic flair to any interior.
